Dear Parents,

Welcome back! Unfortunately I was ill for a lot of the end of Term 2 and we will catch up this week with correcting Maths Mates. I expressed thanks to the children for treating the replacement teachers so well. I am confident of a full recovery over the next few weeks, God willing. A weekly homework sheet will be available on wordpress as well as this paper copy. A letter from Mrs Martin outlines a few changes for all Middle School students. If you have any questions, let me know. *Lots of notes will go home this week, please list the notes received.*
